

News & Notables

Did you miss 5th annual MCHRI Symposium? Recordings now available!

Thank you to everyone who was able to attend the 5th Annual Maternal and Child Health Research Institute Symposium on Thursday October 20, 2022 at Li Ka Shing Center.

This symposium brought together faculty, trainees, students, and postdocs from Stanford and beyond to explore the latest developments and innovations in maternal and child health. This year's symposium was a great success featuring five national thought leaders in Community-Engaged Research, community partners, and scientific focused session.

Global Health Faculty in Focus: Desiree LaBeaud, MD, MS

Event Date: Wednesday, January 25, 2023 from 9:00 AM – 3:00 PM PT

Location: Arrillaga Alumni Center on Stanford University campus

The 9th Annual Stanford Global Health Research Convening will bring together students, faculty, staff, and researchers working in global and planetary health – from Stanford and beyond. This year's theme will focus on pandemic prevention and preparedness research, but abstracts are accepted on any global or planetary health topic.

MCHRI Education and Seminars

Leveraging PEDSnet

MONDAY, NOVEMBER 7, 2022 | 12-1PM PST

[UPCOMING] PEDSNet

Monday, November 7, 2022 at 12:00-1:00PM

PEDSnet is a multi-site network that utilizes a common data model to enable a Pediatric Learning Health System that leverages a common governance structure, administrative efficiencies, and logistical, scientific and training resources. Gain insight on how to leverage this powerful tool for your research.

Speakers:

Grace Lee, MD, MPH, PEDSnet Site Principal Investigator, Professor, Pediatrics (Infectious Diseases)

Keith Morse, MD, MBA, PEDSnet Co-Site Principal Investigator/Informatics Lead, Clinical Assistant Professor, Pediatrics

Yair Bennett, MD, Instructor, Pediatrics

INVESTIGATOR-INITIATED STUDIES

WEDNESDAY NOVEMBER 2, 2022 | 12-1PM PST

[Recording] Investigator-Initiated Studies

Learn how to get involved with Investigator-Initiated Studies (IIS), with insight from industry leaders and faculty at Stanford that have extensive IIS experience, and resources for how to embark on your own IIS.

Speakers:

Ha Tran, MD, MS, Executive Medical Director at Astella Pharma

Greg Enns, MD, Professor, Pediatrics-Genetics, Stanford University
