The July 2009 UK Genomic Medicine Report: A Discussion with Lord Naren Patel

Friday September 11th, 9-10:30AM
Munzer Auditorium, Beckman Center

Lord Patel, chair of the UK House of Lord's Science & Technology Committee
Inquiry into Genomic Medicine, will present:

- **an overview of the report and recommendations**
- **implications of the growing direct-to-consumer genetic testing industry**
 - **regulation related to efficacy and validity of genetic tests**
 - **the gap in training for medical professionals**

Q&A session to follow the discussion
