

The Panic Virus: **Medical Authority and Citizen Scientists in the Vaccine Debate**

Monday, March 7, 2011
5:30-6:30 PM

Munzer Auditorium : Beckman Center : 279 Campus Drive
Stanford University

Please join Seth Mnookin for a discussion about his new book *The Panic Virus*, which uses the controversy over the supposed link between vaccines and autism as a way of exploring how the public interacts with medical authorities, the ways in which information is transmitted in modern society, and how we decide what counts as truth.

Book signing to follow.
