

Stanford Inclusive Mentoring in Data Science

Aimed at increasing the participation of students from all backgrounds in data science, this program will connect college students with doctoral student mentors from the Stanford data science community.

When?

Weekly meetings on zoom between January 9th and March 17th, 2023

Who can participate?

Students, at any level of their college experience, who have some introductory knowledge of statistics and are interested in broadening their understanding of data science

Apply by November 30th!
