II.C.2.b) For coordinators with responsibility for both an independent and integrated Plastic Surgery program the requirement for support is additive. ^(Core)

II.C.2.c) Programs with a total of 21 or more residents must have at least a 1.0 FTE coordinator, with the remaining required support provided by one or more additional persons. ^(Core)

Specialty Specific Background and Intent: The Review Committee recognizes that many program coordinators support both an Integrated and an Independent Plastic Surgery program. Administrative support for coordinators who support both formats is additive. For example, a program with 3 residents in the Independent program and 7 residents in the Integrated program would require a total of 120% FTE for program coordinator support (50% FTE for the Independent program + 70% FTE for the Integrated program) across both programs.
