GME Program Expansion/Funding

Intro

Please READ carefully before you start filling out the Program Expansion and Funding application.

**********
If you are requesting a **Temporary Expansion/Funding of 1 FTE for Less than 1 Year**, please skip this application and send Ann Dohn (Designated Institutional Officer/GME Director) an e-mail (adohn1@stanford.edu), outlining the reason for temporary expansion (Subject: Temporary Expansion: PROGRAM NAME).

If you are requesting a **Military Position Fully Funded by the Army Force**, please skip this application and send the Memorandum of Understanding (MOU) to Ann Dohn (Designated Institutional Officer/GME Director) (Subject: Military Expansion: PROGRAM NAME). Ann can be reach at: adohn1@stanford.edu.

**********

**To complete this application, you will need:**

1. Basic information about the program (accreditation agency, length, etc.)

2. Specific request information (request type and number of requests)

3. Answers to the following questions:
   4.1. Define the educational purpose of the training program and intended goals of the program.
   4.2. Define the Clinical Programmatic Need and/or National/Regional need for the expansion.
   4.3. Describe the potential impact on other programs (e.g. potential competition for cases).
   4.4. Describe the impact on your existing program/trainees.
   4.5. Describe the qualifications of the program leadership and adequacy of current infrastructure to support the expansion.

4. Attachments:
5.1. A current and proposed rotation schedule.
5.2. Competency based goals and objectives for your program (if new) or rotations (if new).
5.3. Documentation of case logs and the RRC/Board requirements for case numbers.

5. E-signature from the Program Director.

6. After the application is completed and submitted, an email will be triggered and sent to the Core Program Director and the Department Chair respectively requesting their approval.

**********

You do not have to complete this application at one time. The information will be saved for a month after your first entries. You may return to the application to finish.

**********

For any questions you may have, please feel free to contact Alyssa Carrasco (ACarrasco@stanfordhealthcare.org).

**Request Information**

Yes

No
Are you submitting a revision of a previously submitted application or a new application?

I am submitting a new application
I am revising a submitted application

Name of the program

Is the program currently under Stanford Health Care GME?

Yes
No, I am applying to establish a new program

Type of the program

Accredited by ACGME

Accredited by a non-ACGME Agency (please specify)

Non accredited program
Plan to apply for ACGME accreditation
Not Sure

Name of the department that the program is under

Name of the core residency program that the program is under

Is the request for permanent expansion or funding?

Yes
No

The duration of the temporary expansion or funding
Start Date (mm/dd/yyyy)

End Date (mm/dd/yyyy)

The request is for:
Expansion without funding from SHC, LPCH, Kaiser, VA, SCVMC, or other
Funding for current position(s)
Expansion and funding

**Expansion Only 1**

How long is the program?
1 Year
2 Years
3 Years
4 Years
5 Years
6 Years
7 Years
Other

How many trainee(s) are you requesting to expand by per class?
1
2
3
4
Other

**Expansion Only 2**

You requested to expand ${q://QID36/ChoiceGroup/SelectedChoices} trainee(s) per class, based on the length of the program, the TOTAL FTE (Full Time Equivalent) will in fact increase by ${e://Field/totalFTEs-e}: 
The length of the program \( q://QID35/SelectedChoicesRecode \) \( \times \) The number of trainee(s) increased by per class \( (q://QID36/SelectedChoicesRecode) \) = \( e://Field/totalFTEs-e \)

Below is a chart to explain the total FTE(s) using an example of a 3-year program requesting to expand by 2 trainees per class.

<table>
<thead>
<tr>
<th>AY</th>

**Narratives**

Define the educational purpose of the training program and intended goals of the program.
Define the clinical programmatic need, patient care need, and/or national/regional need for the expansion.

Describe the potential impact on other programs (e.g. potential competition for cases).

Describe a plan on how an increased number of trainees would improve the current trainees' educational experience. (Please put N/A if only funding is requested)

Describe the qualifications of the program leadership and adequacy of current infrastructure to support the expansion.
Attachments
