

# IDD-TRANSFORM

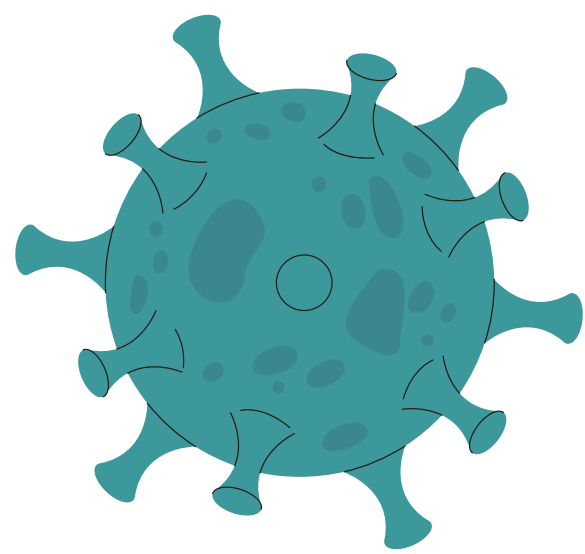

Stanford  
University

*Centering the voices of adults with IDD on pressing topics in health care*

Stanford University invites you to participate in a research study about your experiences in health care, **in areas such as:**

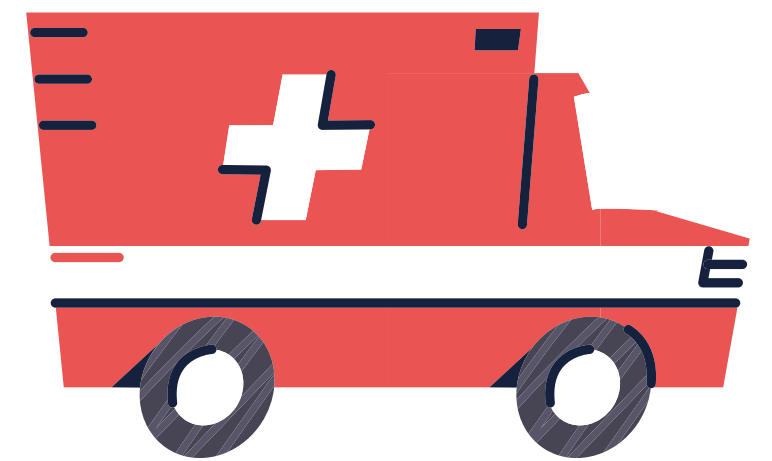

**Telehealth**

**COVID-19  
Interventions**

**Care for Older  
Adults**

**Emergency  
Medicine**

## Study Information

Attend one (1) 60-90 minute discussion with up to 5 other IDD adults

We want to hear from you about your experiences in health care and how people can better serve the health care needs of adults with IDD.

**18+**

Minimum age requirement: 18 years old

Fill out this form if you are interested:
