

Richard Kogan, M.D.

**MUSIC & MEDICINE:
THE LIFE, ART &
ILLNESS OF
GEORGE GERSHWIN**

Concert and Lecture

Thursday February 22, 2007 5pm
Fairchild Auditorium
Stanford University School of Medicine

Free and Open to the Public

Concert Pianist and Psychiatrist Richard Kogan has been hailed by the NYT as a "superb musician" whose playing is "eloquent and compelling." Director of the Human Sexuality Program at New York Presbyterian - Weill Cornell Medical Center, Dr. Kogan uses his medical background to explore the interplay between composers' medical conditions, their lives and the music they created.
