

*Stanford NIH T35
fellowship recipient Adam
Myers graduates from
Western University of
Health Sciences with a
Doctoral degree in
Veterinary Medicine*

Adam Myers graduated from Western University of Health Sciences in May 2021 as a Doctor of Veterinary Medicine. He was inducted into The Society of Phi Zeta, the Honor Society of Veterinary Medicine, earned a Business Certificate with Honors from the Veterinary Business Management Association and was awarded the Merck Academic Excellence Award for Outstanding Students in Veterinary Medical Studies. With a strong professional interest in laboratory animal medicine and research, starting in July 2021, Adam will be pursuing board certification in Laboratory Animal Medicine as a Resident at Tulane National Primate Research Center in Covington, Louisiana, where his studies and clinical practice will primarily emphasize non-human primates. His research interests include non-human primate behavior, cognition, neuroscience, and infectious diseases.
