PLEASE FILL IN ALL GRAY AREAS BELOW

Pathology Teaching and Training Committee requires that all grant recipients complete an interim narrative along with a financial report at the end of each funding year (July 15). We hope that your grant is progressing and that reporting on the status of your grant is a useful tool in evaluating your project.

1. **Title of the Project**

2. **Brief Project Description**

3. **Project Time Period Start and End Date (MM/DD/YYYY - MM/DD/YYYY)**

4. **Is the Project a one-year or two-year project:**

- One-Year Project
 Two-Year Project

5. **Is the Project Completed:**

- Yes
 No

6. **Unanticipated Developments or Challenges.** Describe any factors that have contributed to or impeded the success of the project to date and explain their effect on the proposed goals and timeline. Is the project on track to be completed by the end of the grant award period?

7. **Notable Accomplishments.** Write a brief summary of the most significant accomplishments of the project to date within the context of the proposed goals and timeline.

8. **Budget.** Detail use of grant funds and remaining balance. Is the project on target with the budget?

9. **List any venues your project has already been presented or accepted (title, date, location).**

Awardees are expected to present their work at the pathology department research retreat (list the year and presenters).

10. **Other Comments:**
