Care for COVID-19+ Physicians

WellMD offers additional support for physicians who are COVID-19+. If you test positive, a Care Coach will contact you and provide comprehensive support to address your concerns and basic needs.

This support includes food, lodging, family care, and emotional care. Your Care Coach will check in with you regularly during your isolation period.

Additional COVID-19 resources can be found at wellmd.stanford.edu/COVID-19.html.

EMOTIONAL SUPPORT

Faculty Staff Help Center

Professional and confidential counseling about work-related or personal issues. Short-term counseling is available for individuals, couples, and families. Family members can enroll independently.

- 10 free sessions per topic
- Open to faculty, fellows, residents, and post-docs
