Walk with Me
EARLY CLINICAL EXPERIENCE

STUDENT-PATIENT PARTNERSHIP

A Stanford-unique opportunity where students are paired with a Patient & Family/Caregiver with chronic conditions to share their healthcare journey.

LEADERSHIP IN HEALTHCARE

Develop skills to understand and tackle challenges patients face. Sessions Include:
- Quality Improvement
- Patient Advocacy
- Communication Devices

FULFILLS ECE REQUIREMENT

A fun way to fulfill the ECE requirement! Three sessions per quarter (Fall, Winter, Spring) with dinner provided. You will meet with your patient partner at times convenient to both of you.
