

## Innovation Award

Each year the Department will recognize a staff member who has generated novel and valuable ideas and used these ideas to develop new or improved processes, methods, systems, programs or services. The award recognizes creative ideas that have improved the department and have made Stanford Medicine a better place to work.

### Eligibility criteria:

- Staff members must have been employed as regular (including bargaining unit) employees, at 50% FTE or more, in the Department of Pediatrics for at least twelve months, as of March 31, 2020.

### Who can nominate:

- Any faculty, staff, student, resident, fellow or postdoctoral scholar working in the Department of Pediatrics may nominate an eligible staff member.

### Nomination process:

- Nominations must be submitted through the online survey, which will be forwarded to the Award Selection Committee.
- Nominations should total half a page in length, and must include:
  - Name of the nominee
  - Rationale for why the individual deserves the honor (1-2 paragraphs)
