

## Medical Education Scholarship Award

Each year the Department will recognize one of its faculty for outstanding medical education scholarship. Typically, this achievement will be a peer-reviewed publication or novel intervention, but other achievements may be recognized if they can be demonstrated to be pertinent to advancing medical education.

### Eligibility criteria:

- All faculty are eligible for consideration.

### Who can nominate:

- Any faculty, staff, student, resident, fellow or postdoctoral scholar working in the Department of Pediatrics may nominate an eligible faculty member.

### Nomination process:

- Nominations must be submitted through the online survey, which will be forwarded to the Award Selection Committee.
- Nominations should total half a page in length, and must include:
  - Name of the nominee
  - Description of the significance of the achievement to the advancement of medical education scholarship (1-2 paragraphs)
