Department of Pediatrics Meeting
Year in Review

WEDNESDAY, JUN 30 | 12-1PM | ZOOM

Education
Research
Clinical Care
Policy & Community Engagement
Announcements

- COVID-related financial restrictions lifted
- “Thank you” to the Task Force:
  - SoM Guidance:
    - [https://docs.google.com/document/d/1ifvNluwgZdmcH33RBC8rHfWXuW63_X0EcTkBSueQv2I/edit](https://docs.google.com/document/d/1ifvNluwgZdmcH33RBC8rHfWXuW63_X0EcTkBSueQv2I/edit)
  - Salary increases for faculty and staff effective 9/1/21
  - Division/Individual Executive Fund infusions reinstated in FY22
  - R01 Incentive reinstated in FY22 ($25k per year, per R01)
Eric Sibley, MD, PhD
Professor of Pediatrics,
The Bernard A. Newcomb Distinguished Packard Fellow,
Assistant Dean for Academic Advising,
Associate Chair for Academic Affairs
Associate Professor Promotions

- Catherine Aftandilian
  Hematology/Oncology/Stem Cell

- Sharon Chen
  Cardiology

- Rachel Hopper
  Cardiology

- Beth Kaufman  
  *Cardiology*

- Tzielan Lee  
  *Rheumatology*

- Jennifer Frankovich  
  *Rheumatology*

- Alison Marsden  
  *Cardiology*

- Tandy Aye  
  *Endocrinology*

- Jonathan Bernstein  
  *Medical Genetics*

- Henry Lee  
  *Neonatology*
Welcome!

2021 DRIVE in Research Pipeline

June 22 | Kick-off Meeting
Kamaal Jones, MD
Fellow for the inaugural cohort of American Medical Association and the Satcher Health Leadership Institute at Morehouse School of Medicine’s Medical Justice in Advocacy Fellowship
Educational Highlights for 2020-2021

Becky Blankenburg, MD, MPH
Associate Chair of Education

Allison Guerin, EdD, MEd
Director of Education Administration

June 30, 2021
Highlights in Education

- Diversity, Equity, Inclusion & Anti-Racism
- Pathways into Pediatrics
- Medical Student Education
- Residency

- Fellowships
- Postdocs
- Faculty & Staff Professional Development
- National Work
For all educational programs

• Maximizing learning opportunities
• Developing virtual options
• Being flexible and adaptable
• Continually pivoting during COVID
Diversity, Equity, Inclusion & Anti-Racism

- Virtual SCORE Program
- Starting SCORE for Fellowships Program
- Anti-racism curriculum for residents, fellows, and program leaders
- Strong engagement in SPAARC Initiatives
- Transitioned LEAD Program to SOM Office of Diversity in Medical Education to have even broader impact
Pathways into Pediatrics

• PIPS (Pediatrics Internship Program @Stanford)
  • 5-week virtual internship for Bay Area high schoolers
  • 31 high school students, 90% URM by race/ethnicity, first-generation, low-income status
  • 17 faculty labs serving as mentors to the students

• Innovative Elective Courses
  • Course on COVID-19 Pandemic for undergrads and graduate students (Rishi Mediratta, MD)
Medical Student Education

• **Medical Student Advising**
  - Developed more robust advising for first and second year MD and PA students interested in pediatrics
  - Pediatrics Specialty Advisor: Kim Hoang, MD

• **Medical Student Match into Pediatrics**
  - 3 matched at Stanford (Categorical Peds, Physician Scientist, Child Neuro)
  - 4 matched at Boston Children’s (3 Urban Advocacy Track, 1 Peds/Anesthesia)
  - 1 matched at CHOP (Categorical Peds)
  - 1 matched at Massachusetts General (Child Neuro)
Residency Education

• New anti-racism curriculum
  • Anti-racism academic half day for all residents in spring 2021

• Transition to the X+Y model
  • New rotation schedule to optimize clinical experiences, learning, and wellness

• Educational grants attained
Residency Education cont

• Educational grants attained (approx. $2M)
  • 2021-2022: $61,400 from California Primary Care and Emergency Medicine Residency Program Collaborative “Improving Care for Patients with Substance Use and Abuse Disorders” Awarded to Stanford Pediatrics Residency at Santa Clara Valley Medical Center
  • 2021-2024: $780,000 from CalMedForce grant
  • 2020-2023: $600,000 from CalMedForce grant
  • 2020-2021: $250,000 from Office of Statewide Health Planning and Development
  • 2020-2023: R38 NIH Stimulating Access to Research in Residency Award
Fellowship Education

- **Core Curriculum**
  - First cohort finished core curriculum
  - Mixed methods evaluation underway

- **Fellowship Community**
  - Creation of a collaborative fellowship community across the Department
  - Spanning both fellows and leadership

- **Educational Scholarship**
  - 2 publications describing Department Fellowship Program
Fellowship Education – JGME Publications

Improving Pediatric Subspecialty Recruitment Using an Interdivisional Department Session

Okamura E, Rotandi CL, Guerin A, Halpern-Felsher B, Blankenburg R, Gans HA

Using Speed Mentoring to Expand Scholarship Perspectives and Opportunities for Fellows

Guerin A, Okamura E, Rotandi CL, Halpern-Felsher B, Blankenburg R, Gans HA
Postdoc Education

• New Postdocs During Pandemic
  • Appointed/onboarded 40 postdocs during global pandemic
  • Including 25% directly from abroad

• Research Continuity & Community Cohesion
  • Seminars, Research Retreat, Postdoc-led Activities Committee

• Formalizing Instructor Approval Process
  • Developed formal pathway for postdocs to be approved to become Instructors
Faculty & Staff Professional Development

• ENGAGE Professional Development Series
  • Teaching Fundamentals
  • Leadership
  • Educational Scholarship Works in Progress

• Clinical Teaching Seminar Series

• Medical Education Peer Scholarship Community
Regionally & Nationally

- Association of Pediatric Program Directors
  - Fellowship Directors Executive Committee – Hayley Gans
  - Associate Program Directors Executive Committee – Sarah Hilgenberg
  - Western Region Past-Chair – Lynne Huffman
  - Western Region Vice-Chair of Communications – Sarina Tom
  - LEAPES Director – Michelle Brooks
  - AIMS Director – Lahia Yemane
  - LEAD Scholar – Sruti Nadimpalli
  - LEAPES Scholars – Carrie McGaughey, Gretchen Shawver
  - President – Becky Blankenburg
Regionally & Nationally

- **ACGME**
  - Stanford now a regional site for ACGME Assessment Course
  - Carrie Rassbach is co-lead

- **Council of Pediatrics Subspecialties (CoPS)**
  - Tandy Aye – National Executive Committee

- **CI Fellowship Directors**
  - Natalie Pageler – Director of CI Fellowship Directors Group
Nationally

- Anti-Racism
- Recruitment
- Workforce Initiative (invited to AMSPDC Summit)
- Curricular Reform (invited to ACGME Summit)
- Telehealth
- Education during COVID (invited to Macy Foundation Summit)
Priority Areas for 2021-2022

• Revamping Assessment of Learners/Faculty
• Faculty Development in Learning Environment and Feedback
• Continued Work in DEI and Anti-Racism
• Fellowship Funding
Questions?
Optimizing Workflows to Close Disparities in Telehealth Use

Pre-Covid-19
Provider-Dependent Access

During Covid-19
Provider-Independent Access

Closing Disparities during the COVID-19 Pandemic

Telehealth Visits by Patients on Public Insurance

- Pre-COVID 19: 26.2%
- Shelter in Place: 37.3%
- Re-Opening: 34.3%

- p = 0.005*
- p = 0.171

Telehealth Visits by Non-English Speakers

- Pre-COVID 19: 3.5%
- Shelter in Place: 17.5%
- Re-Opening: 15.0%

- p < 0.001*
- p = 0.144
# Patient Health Equity Dashboard

Above and beyond—the Teen Van

- 2000 COVID test during past 12 months
- 1200 COVID vaccines since March
- Not just kids, also families—so ages 12-82!
- Served traditional underserved sites in San Mateo and Santa Clara counties
- Added sites that counties and LPCH co-identified as high need
- Targeted uninsured, underinsured, and Medicaid who could not or would not go to mass testing and mass vaccination sites
- Many stated that they felt they couldn’t trust the larger, often county-run sites for fear of legal and immigration issues
Research Advisory Committee

- Identifies research needs and develops approaches that improve research processes
- Topics pre-award grant development, post-award grant execution, data access issues, administration issues such as space (wet and dry lab) and equipment needs, research community building, and ....

Chaired by Gary Shaw

American Academy of Pediatrics, California Statement
In Support Of Eviction Moratoriums
During the State of Emergency Related to COVID-19
To Protect the Health of Children, Families & Communities
(March 2020)

The American Academy of Pediatrics, California (AAP-CA) representing the 5,000 California pediatricians members of the four AAP California Chapters statewide supports in-state and statewide eviction moratoriums during the state of emergency related to COVID-19 in order to protect the health of children, families and communities.

On March 19th, 2020, Governor Newsom ordered California’s residents statewide to stay home, restricting non-essential movements to control the spread of COVID-19 that threatens to overwhelm our state’s health care system.

Many California families live paycheck to paycheck and do not have savings from which to pay their rent. The economic effects of the necessary public health measures has stopped the flow of that income, with job freezes and outright layoffs on the rise. The Economic Policy Institute estimates that by June 608,000 Californians will have lost their jobs.

American Academy of Pediatrics
Dedicated to the Health of All Children

ACTION ALERT

Dear Lisa:

Tell your U.S. representative about the importance of Medicaid payment parity in ensuring children’s access to health care.
Hello Child Advocates,

Advocacy Updates Below.

1. **ACTION: Support the American Families Plan**
On February 29th, President Biden unveiled details of a sweeping proposal to Congress that calls for transformative policies to disrupt poverty, including offering healthy breakfast and lunches free of charge to all students by expanding the reach of the Community Eligibility Provision. Key decisions are expected to be made between now and Memorial Day so that legislation can be passed later this year. Contact your congressmen to help shape the public debate. (Please remember to email legislators as an individual with a personal, non-Stanford email address.)

2. **Addressing Local Food Insecurity: Return of Family Food Bags!**
Thank you to everyone who has donated family food bags to serve our local families. Together, we have distributed 390 food bags to community clinics and organizations! We are resuming food bag collections at our new office in the Center for Academic Medicine (CAM). **Colleagues working in CAM may drop off food donations anytime** – details in attached flyer. For those in need of assistance (including those without badge access to CAM), our next food collection dates are Tuesdays May 25th and June 8th – see attached flyer for more details!

3. **Summer Food Resources: Cal-Fresh & Pandemic E-BT 2.0**
CalFresh helps families stretch their budget to cover the costs of healthy, nutritious foods. Young children (age 0-6) who qualify for CalFresh will become eligible for the “recently approved” P-EBT 2.0, where they can receive up to $375 for the summer months. Second Harvest of Silicon Valley is helping families and individuals determine if they qualify for CalFresh and will help clients apply for the program. Their staff speaks: English, Spanish, Vietnamese, Cantonese, and Mandarin. **Share the attached flyers with your patients and clinics today!**

Email melanie.ramirez@stanford.edu to sign up!
Subspecialist Advocacy: GI

- Transplant equity policy
- Sugar sweetened beverages
- Nutrition
- Food insecurity protocols
