SCH booth #80

Overhang over booth

Meterboards at lounge
The ask

Faculty/ SOM staff participation at the SCH booth to meet attendees and answer questions, or to share and present relevant work. Ideal commitment of **one hour**.

Can potentially set aside an hour for a specific specialty (ie. Endocrinology hour) so multiple faculty/ residents/ fellows can be available without committing specific doctor.

Schedule of faculty presence at the booth will be promoted at booth and on social media.
