

Scheduling FNA Biopsies:

FNAs are performed:

Monday through Friday

9AM-4PM

(same day biopsies can be scheduled and performed)

Location:

Stanford Blake Wilbur Building

900 Blake Wilbur Drive, 3rd Floor

Palo Alto, CA 94304

Please have your patient check in at the Head and Neck Oncology Clinic on the 3rd floor.

Valet Parking is available directly across the street at 875 Blake Wilbur. The first hour is free.

Scheduling Contacts:

- FNA Cell#: **650-739-6692** (or page #13378)
- Cytopathology Laboratory: **650-725-6915**

Required Information:

- Patient demographics
- Requesting MD's name
- Biopsy site (indicate if palpable or if ultrasound will be required)
- Any requests for special studies (e.g. flow cytometry)
- Copy of outside ultrasound reports
- ICD9 code and billing information (if patient not already registered)

Any questions or concerns, contact:

Christina Kong, MD

Director of Cytopathology
