2017

Stanford Center for Population Health Sciences

ANNUAL SYMPOSIUM

Monday, November 6th

PROGRAM

In hopes of expanding trans-disciplinary research collaborations, the Symposium highlights some of our most exciting data. Each session provides an overview of the data, sharing examples of cutting-edge research, linkages to other data and how diverse disciplines can potentially use these data to explore intriguing new research questions.

8:30 a.m. **Breakfast**

9:00 a.m. **Welcome**

Mark Cullen, MD

Professor of Medicine, Biomedical Data Science and Health Research and Policy

Director, Stanford Center for Population Health Sciences

Senior Associate Dean for Research

Stanford University School of Medicine

9:15 a.m.

Clalit Health Services (Israel)

Speaker **Manuel Rivas, DPhil**

Professor of Biomedical Data Science, Stanford University School of Medicine

Moderator **Mark Cullen, MD**

Professor of Medicine, Biomedical Data Science and Health Research and Policy

Director, Stanford Center for Population Health Sciences

Senior Associate Dean for Research

Stanford University School of Medicine

Jeremy Freese, Ph.D.

Professor of Sociology, Stanford University

Carlos Bustamante, Ph.D.

Professor of Biomedical Data Science, of Genetics and, by courtesy, of Biology, Stanford University

Sandra J. Winter, Ph.D, MHA

Senior Research Scholar, Stanford University School of Medicine

10:20 a.m.

Alcoa (USA)

Speaker **Amal Harrati, Ph.D.**

Postdoctoral Research Fellow, General Internal Medicine, Stanford School of Medicine

Moderator **David Rehkopf, Sc.D, MPH**

Assistant Professor of Medicine (Primary Care and Population Health) and, by courtesy, of Health Research and Policy (Epidemiology), Stanford School of Medicine

Sepideh Modrek, Ph.D.

Assistant Professor of Economics, San Francisco State University

Mark Cullen, MD

Professor of Medicine, Biomedical Data Science and Health Research and Policy

Director, Stanford Center for Population Health Sciences

Senior Associate Dean for Research

Stanford University School of Medicine

11:20 a.m.

Break

11:35 a.m. **Federal Statistical Research Data Center (USA)**

- Speaker** **Amy O'Hara, Ph.D.**
*Associate Director, Data, Center for Population Health Sciences
Senior Research Scholar, Stanford Institute for Economic Policy Research, Stanford University*
- Moderator** **David Grusky, Ph.D.**
*Barbara Kimball Browning Professor in the School of Humanities and Sciences, Director of the
Stanford Center on Poverty and Inequality*
- Nicholas Bloom, Ph.D.**
*Eberle Professor of Economics, Senior Fellow at the Stanford Institute for Economic Policy
Research, by courtesy, of Economics at the Graduate School of Business, Stanford University*
- Jonathan Fisher, Ph.D.**
Research Scholar at the Stanford Center on Poverty and Inequality, Stanford University

12:35 p.m. **Lunch**

We invite you to visit our outdoor kiosks highlighting our featured data, the Office of Community Engagement and REDIVIS!

2:00 p.m. **European Longitudinal Study of Pregnancy and Childhood (Czech Republic)**

- Speaker** **Irena Stepanikova, Ph.D.**
Associate Professor, Sociology, University of Alabama at Birmingham
- Moderator** **Ben Domingue, Ph.D.**
Assistant Professor, Graduate School of Education, Stanford University
- Paul B. English, Ph.D., MPH**
*Senior Branch Science Advisor, Environmental Health Investigations Branch, CA Department of
Public Health*
- Jelena Obradović, Ph.D.**
*Associate Professor, Graduate School of Education, Stanford University
Project Director, Stanford Project on Adaptation & Resilience in Kids (SPARK) Lab*

3:05 p.m. **Gender Norms and Adolescent Health**

- Speaker** **Gary Darmstadt, MD, MS**
*Professor of Neonatal and Developmental Pediatrics and Associate Dean for Maternal and Child
Health, Stanford School of Medicine*
- Moderator** **Marcella Alsan, MD, MPH, Ph.D.**
*Assistant Professor of Medicine, Stanford School of Medicine and a Core Faculty Member at the
Center for Health Policy / Primary Care and Outcomes Research*
- Amy Gerstein, Ph.D.**
*Executive Director, John W. Gardner Center for Youth and Their Communities, Stanford
University*
- Valerie Meausoone**
*Assistant Director, Data Implementation, Center for Population Health Sciences, Stanford
University*

4:05 p.m. **Closing**

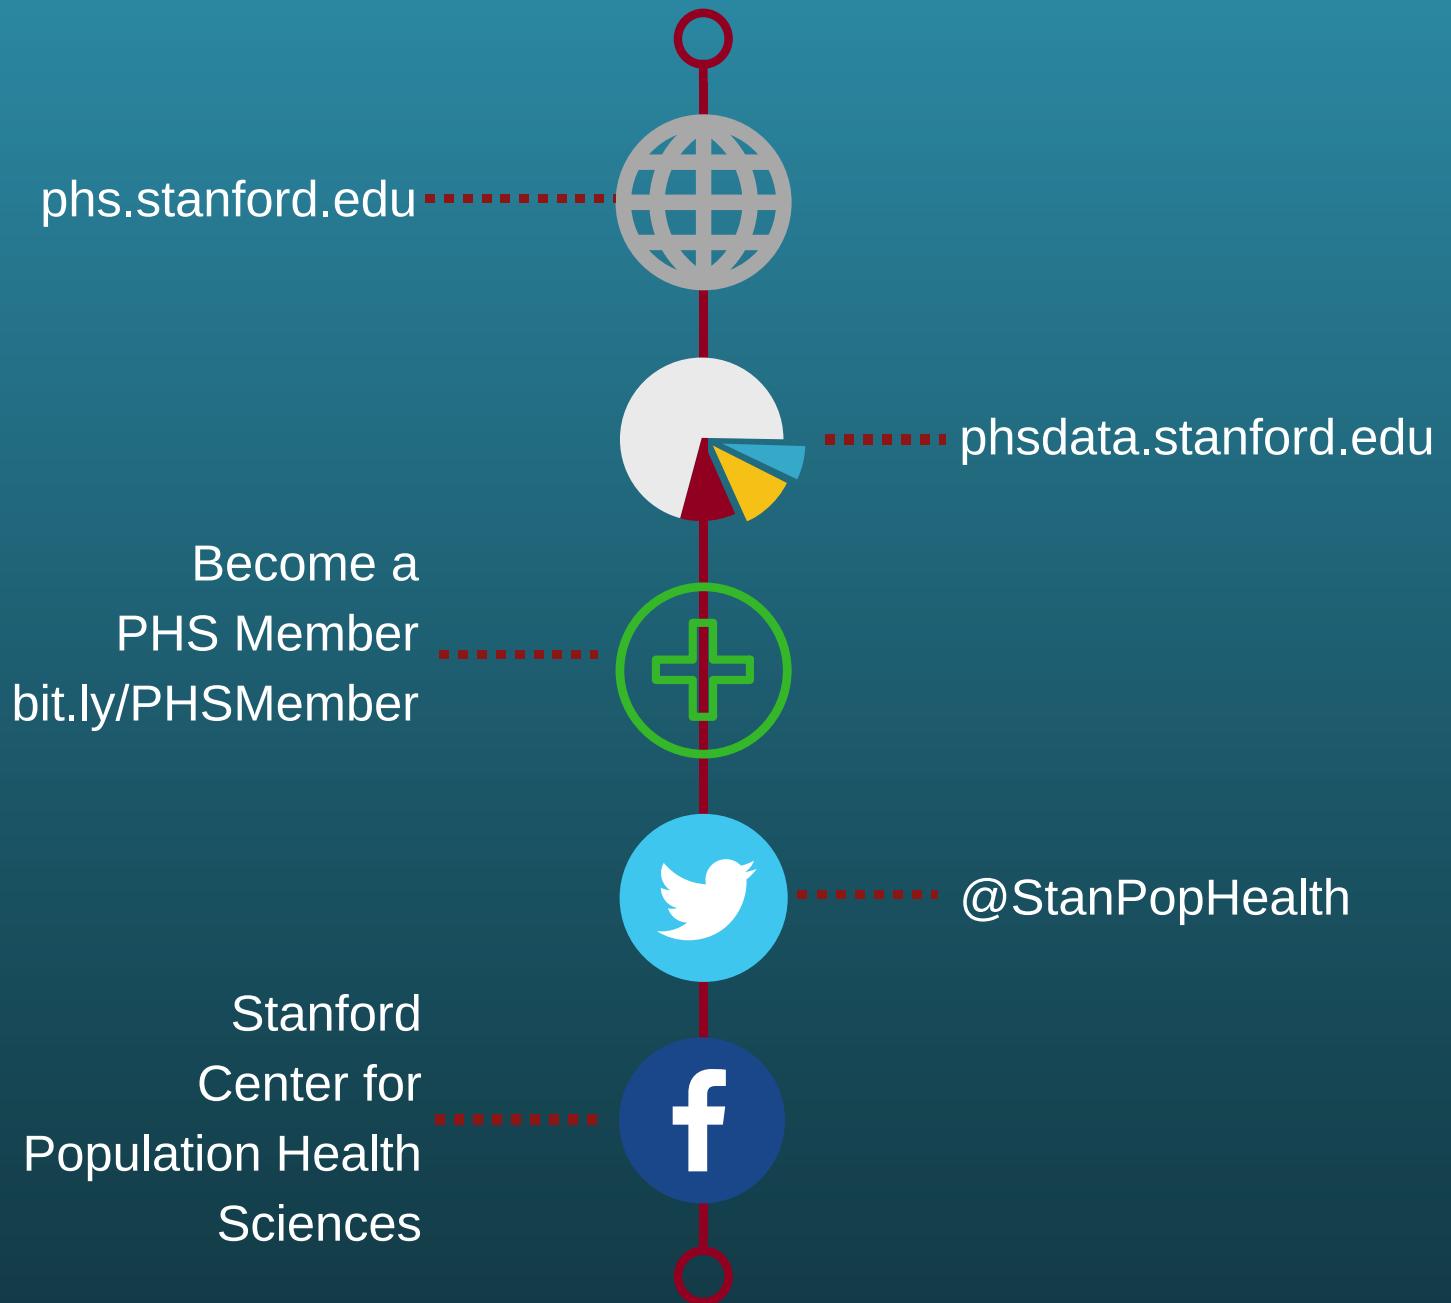

4:15 p.m. **Reception**

STANFORD CENTER FOR POPULATION HEALTH SCIENCES

MISSION

Founded in 2015, the Center's mission is to improve individual and population health by bringing together diverse disciplines and data to understand and address social, environmental, behavioral, and biological factors on both a domestic and global scale.

#CONNECT

THANK YOU FOR JOINING US!
