COMMUNICATION

- 1. When your child wants something, does she tell you by pointing to it?
- When you ask your child to, does he go into another room to find a familiar toy or object? (You might ask, "Where is your ball?" or say, "Bring me your coat," or "Go get your blanket.")
- Does your child say eight or more words in addition to "Mama" and "Dada"?
- 4. Does your child imitate a two-word sentence? For example, when you say a two-word phrase, such as "Mama eat," "Daddy play," "Go home," or "What's this?" does your child say both words back to you? (Mark "yes" even if her words are difficult to understand.)
- Without your showing him, does your child point to the correct picture when you say, "Show me the kitty," or ask, "Where is the dog?" (He needs to identify only one picture correctly.)
- 6. Does your child say two or three words that represent different ideas together, such as "See dog," "Mommy come home," or "Kitty gone"? (Don't count word combinations that express one idea, such as "byebye," "all gone," "all right," and "What's that?") Please give an example of your child's word combinations:
