Strategies for Improving Outreach & Building Engagement with Native Students to Expand Behavioral Health Support

Keoki Burbank
Lead Project Coordinator, Two Feathers Native American Family Services

Disclosure Statement
- Faculty Disclosure Statement: As a jointly accredited provider of continuing education, the IHS Clinical Support Center must ensure balance, independence, objectivity, and scientific rigor in its educational activities. Course directors, coordinators, planning committee members, faculty, reviewers, and all others who are in a position to control the content of this activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or devices discussed in their presentation. All those who are in a position to control the content of this educational activity have completed the disclosure process and have indicated that they do not have any relevant financial relationships or affiliations with any manufacturer or commercial products to disclose.
- There is no commercial interest support for this educational activity.

Disclaimer
The views expressed in this presentation are those of the speaker and do not necessarily represent the views, policies, and positions of the Indian Health Service (IHS) or the U.S. Department of Health and Human Services (HHS).

Learning Objectives
- Acquire new knowledge in understanding relationship building with Native American youth.
- Apply new skills, and techniques to improve outreach and building engagement with Native youth.
