Inpatient Psychologist  
Division of Child and Adolescent Psychiatry  
Department of Psychiatry and Behavioral Sciences  
Stanford University School of Medicine

The Department of Psychiatry and Behavioral Sciences at the Stanford University School of Medicine is seeking a full-time faculty member in the Clinical Educator Line to provide teaching and supervision of pre-doctoral psychology interns, postdoctoral psychology fellows, and child psychiatry fellows and to provide clinical care for children, adolescents and young adults with eating disorders in inpatient and outpatient settings.

Rank will be commensurate with experience and expertise.

Psychologist applicants must have a Ph.D. or Psy.D. from an APA-accredited clinical psychology program, a completed APA-accredited internship, and current California licensure or eligibility for licensure.

Stanford is an equal employment opportunity and affirmative action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, protected veteran status, or any other characteristic protected by law. Stanford welcomes applications from all who would bring additional dimensions to the University’s research, teaching and clinical missions.

The anticipated start date would be 11/1/2021. Interested candidates should send a cover letter, current curriculum vitae, and three letters of reference via email to:
