

Sleep Medicine – Clinical Assistant or Associate Professor

The Department of Psychiatry and Behavioral Sciences, Division of Sleep Medicine, at Stanford University School of Medicine is seeking a new full-time faculty member at the rank of Clinical Assistant Professor or Clinical Associate Professor to conduct clinical care and teaching in sleep medicine.

The position will be based at the Stanford Sleep Medicine Center in Redwood City. The chosen candidate will provide clinical care in the outpatient Sleep Clinic. Teaching responsibilities will be fulfilled as part of the regular clinical activities, and include supervision and didactics to sleep medicine fellows, medical students, residents, fellows and other trainees. Applicants must have a medical degree, must have completed training in Neurology, Pulmonary Medicine, or Pediatric Pulmonary Medicine, be Board Certified in Sleep Medicine, and must possess or be eligible for a California medical license.

Rank and salary will be commensurate with experience.

Clinical Assistant Professor: \$228k - \$240k

Clinical Associate Professor: \$254k - \$266k

This position commands a competitive salary enhanced by an attractive benefits package, including, but not limited to, generous housing assistance and home purchase programs, bonus programs, paid vacation time, paid personal time, as well as health/dental/vision benefits, paid malpractice, and 403(b) plans.

Stanford is an equal employment opportunity and affirmative action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, protected veteran status, or any other characteristic protected by law. Stanford also welcomes applications from others who would bring additional dimensions to the University's research, teaching, and clinical missions.

Interested candidates should send a cover letter and current curriculum vitae via e-mail to:
