Overview

- Locating grant opportunities
- Intent to submit
- Resources

Different sources for funding

- National Institutes of Health
- Department of Defense
- Veterans Health Administration
- External Foundations, Societies, etc.
- Internal Stanford opportunities

Location of Funding Opportunities

- S-SPIRE Center

The screenshot displays the S-SPIRE Center website. At the top, the Stanford Medicine logo and 'S-SPIRE CENTER' are visible. The main heading is 'Surgery-Specific Funding Opportunities'. A navigation menu on the left includes 'S-SPIRE CENTER', 'Mixed Methods Research Workshop', 'Professional Development Bootcamp', 'Community Programs', 'About Us', 'Research', 'Education', 'Resources', 'Funding Opportunities', 'S-SPIRE Templates', and 'Clinical & Research Tools'. The 'Funding Opportunities' section is active. Below the heading, there are two tabs: 'INTERNAL FUNDING' and 'EXTERNAL FUNDING', with 'EXTERNAL FUNDING' circled in red. The main content area lists several funding opportunities:

- Aesthetic Surgery Education & Research Foundation: *Interim Grant***
Deadline: Continuous
For: Junior Faculty, Faculty
Amount: All budget requests considered
Questions? Email asurf@surgery.org
[More Information & Submission Guidelines Here](#)
- American College of Surgeons: *Faculty Research Fellowships***
Deadline: November 15, 2019
For: Fellows, Junior Faculty
Amount: \$40,000/year
Questions? Contact Scholarships Administrator at scholarships@facs.org

On the right side, under 'Additional Funding Opportunities', there are three items circled in red:

- [Stanford Surgery PD Resident Funding](#)
- [Stanford Seed Funding](#)
- [Internal Stanford Funding](#)

Other items listed include 'National Institutes of Health: Training Fellowships' and 'National Institutes of Health: Research Career Development Awards'. At the bottom right, there is a section for 'Federal Research Funding Strategies' with a 'Download the presentation' link.

Location of Funding Opportunities

- NIH
 - grants.nih.gov
 - FUNDING

The screenshot shows the NIH Grants & Funding website. At the top, the NIH logo and 'GRANTS & FUNDING' text are visible, along with the tagline 'NIH Central Resource for Grants and Funding Information'. A red arrow points to the 'FUNDING' menu item in the navigation bar, which is also circled in red. Below the navigation bar is a banner for the 'NIH REGIONAL SEMINAR 2019' in Phoenix, Arizona. To the right of the banner is a sidebar with links for 'How to Apply', 'Find Funding', 'Funded Research (RePORT)', 'Open Mike Blog', and 'News'. Below the banner are three main content columns: 'ABOUT GRANTS', 'POLICY & COMPLIANCE', and 'INFORMATION FOR...'. Each column contains a list of links and a 'LEARN MORE' button.

Proposal Intake Form (PIF)

- Stanford Electronic Research Administration (SeRA)
 - sera.stanford.edu
- Research Management Group (RMG)
- Research Process Manager (RPM)

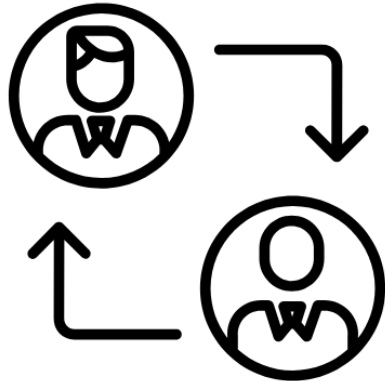

The screenshot displays the Stanford SeRA system interface. The top navigation bar includes 'Stanford | SeRA', search, navigation, help, and user information (KZAVES3). A notification banner states 'SeRA system updated with Aspen Release' and 'Next Week's OSR-SeRA Seminars: Cost sharing, Preparing Proposals with Subawards, and Budget Building'. The main content area is titled 'My Projects' and features a sidebar with navigation options: Home, My Projects, Pipeline, Proposals, Reports, and Advanced Search. The 'Open Tasks' section indicates 'No Action Items Found.' Below this, a grid of project management tools is visible, including 'Active Awarded Projects', 'Open Activities', 'Pending Proposals', 'Recently Ended Projects', 'My Financial Accounts', 'Other Support Report - NIH Format', 'Current & Pending Report - General Format', and 'Research Profile'.
