Resources

The Biomedical Association for the Interest of Minority Students (BioAIMS)

SBSA works closely with BioAIMS, with joint efforts in events and advocacy.

[BioAIMS >](#)

Resources at Stanford

BioAIMS maintains a very thorough list of Stanford organizations and programs that are available for Biosciences graduate students.

[Resources at Stanford >](#)

Housing

What do Biosciences grad students really think about their housing options? Learn more about student housing.

[Housing >](#)

Finances

What is money?

[Finances >](#)

Transportation

Learn about transportation options around campus and the Bay Area. Preferably not in an ambulance Stanford Med just offers a very limited choice of icons

[Transportation >](#)

Navigating Grad School

Guides, articles, and more about how to be successful in every part of grad school.

[Navigate Grad School >](#)

Shopping Needs

Where to get your groceries and material goods.

[Shopping Needs >](#)

OGE Travel Grant

The Office of Graduate Education (OGE) offers a travel grant to help students pay for conferences.

[Travel Grant >](#)

Life

14 Biosciences PhD Programs

- Biochemistry
- Biology
- Biomedical Informatics
- Biophysics
- Cancer Biology
- Chemical and Systems Biology
- Developmental Biology
- Genetics
- Immunology
- Microbiology and Immunology
- Molecular and Cellular Physiology
- Neurosciences
- Stem Cell Biology and Regenerative Medicine
- Structural Biology

*All of these are part of SBSA and the Biosciences umbrella for most purposes! Funding structure might differ

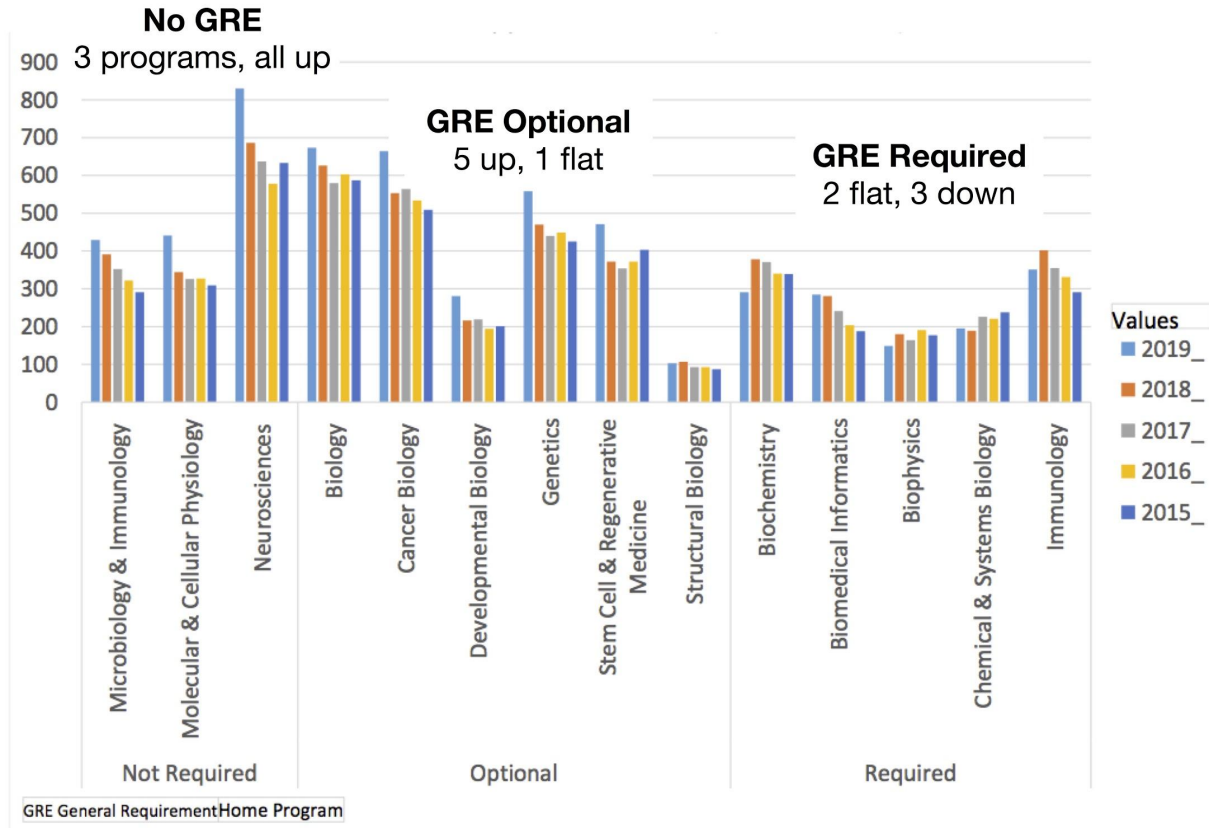

Related PhD Programs

- Bioengineering
- Health Policy
- Epidemiology

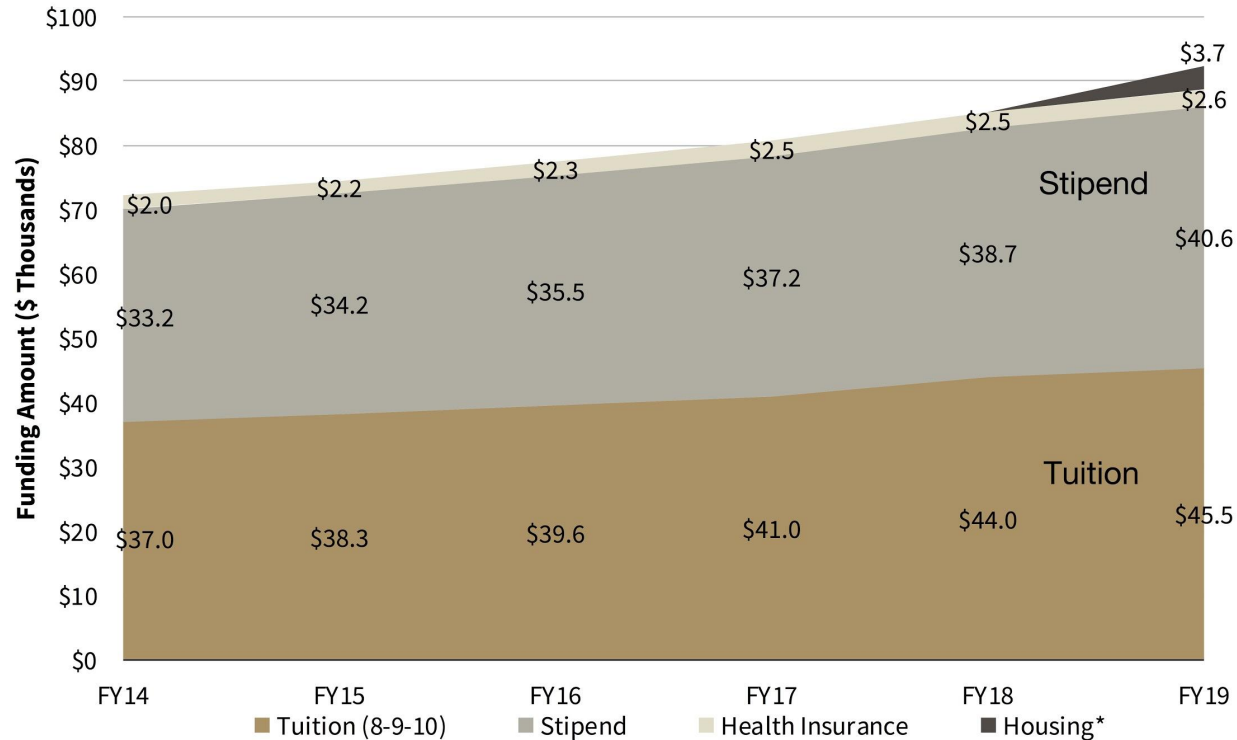

Total Number of Biosciences PhD Students

Correlation between Application Number and GRE Requirement

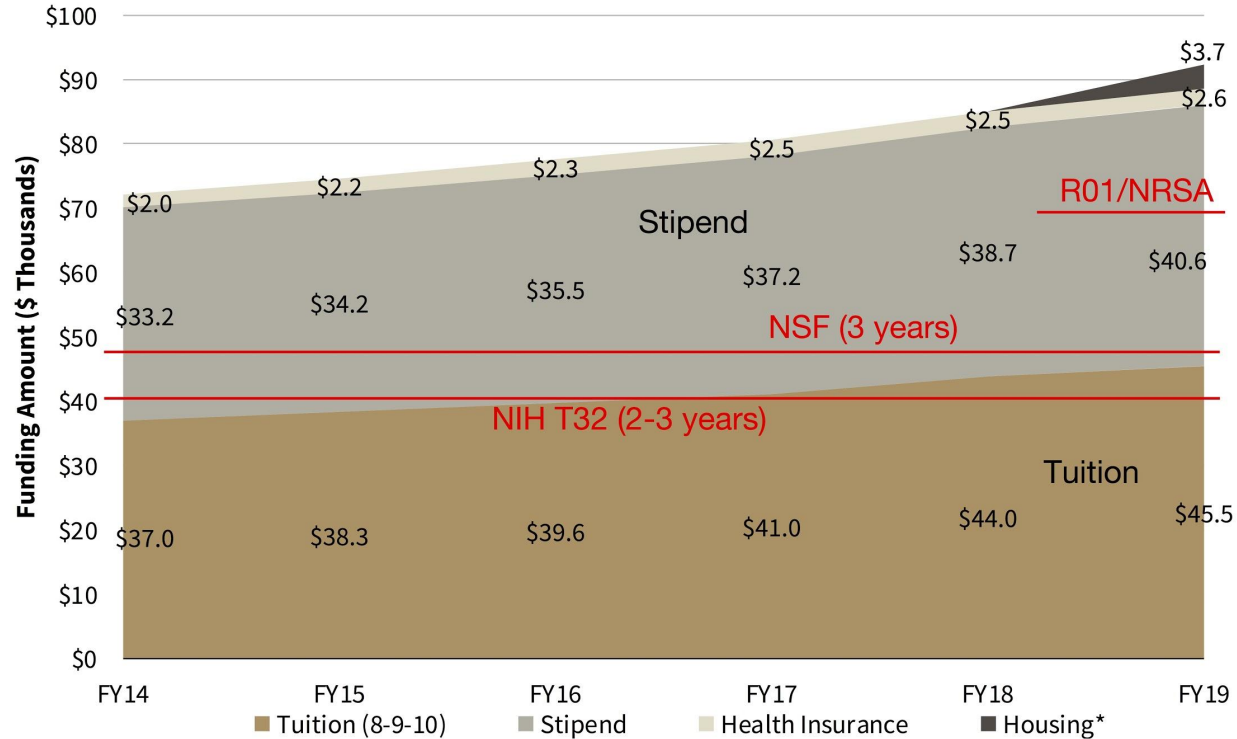

Annual cost to train a Biosciences PhD student (pre-TGR)

*Housing cost is new for FY19

Caps on federal grants and fellowships

*Housing cost is new for FY19

For SoM Faculty Senate, Oct 15

“a discussion on issues facing basic science students in the School of Medicine...We would like to hear your issues and perspectives on any topic related to your experiences at Stanford.”

Open floor for questions/input
