CGAP 4/6/21

- WASC Accreditation: seeking input regarding advising and mentoring
 - Accreditation for the entire university with the Western Association for Schools and Colleges
 - What are the most important questions and considerations, what evidence could we gather to improve advising and mentoring at Stanford?
 - What are changing needs?
 - How do advising practices support DEI priorities?
 - What preparation do faculty members need to be effective advisors and mentors?
 - Discussion about training grants, IDPs, better support for underserved communities
- Rigor and Reproducibility mini-course development
 - Create a structure and culture of commitment to reproducible research values and practices
 - Statistical elements of R&R
 - Central role of design in linking research question to measurements to estimates of uncertainty and inference
 - Understand difference between statistical and epistemic uncertainty
 - Understand meaning, limitations, and misuse of p-values and hypothesis testing
 - Data curation and reporting elements of R&R
 - Fundamentals of sound data management (findable, accessible, interoperable, reusable)

Vote for adding HPR to constitution

- New student interested in being HPR for Master of Science in Clinical Informatics Management Program next year
- Move to add HPR positions for Clinical Informatics Management and Health Research and Policy to our constitution
- Need a simple majority to pass

Upcoming elections

- Position descriptions can be found [here](#)
- Nominations: April 29-May 13
- Voting: May 20-May 27
 - Candidates will have the opportunity to speak (if they want) at the May general body meeting on May 20
- Election results: by June 1
- Candace and Jason will be having office hours:
