

| | Year 1 | Year 2 |
|----|--|--|
| 1 | PGY 1:Navigating Rotations, Care for the Surgical Patient | PGY 1:Navigating Rotations, Care for the Surgical Patient |
| | PGY 2,3: ICU Rotation Basics | PGY 2,3: ICU Rotation Basics |
| 2 | PGY 1: Trauma Service and Mini ATLS | PGY 1: Trauma Service and Mini ATLS |
| | PGY 2+: ICU Pressors and Common Pharmacotherapy | PGY 2+: ICU Pressors and Common Pharmacotherapy |
| 3 | PGY 1: Acute Surgical Emergencies | PGY 1: Acute Surgical Emergencies |
| | PGY 2+: Airway and Vent Management | PGY 2+: Airway and Vent Management |
| 4 | Trauma: Principles of Trauma Operative Management | Trauma: Abdominal and Pelvic Injuries |
| 5 | Trauma: Extratruncal Injuries | Trauma: Chest Injuries |
| 6 | Critical Care: Shock | Trauma: Burns |
| 7 | Critical Care: Nutritional Support in Critically Ill Patients | Critical Care: Organ System Dysfunction |
| 8 | General Surgery: Ventral Hernias | General Surgery: Inguinal / Femoral Hernias |
| 9 | General Surgery: Benign Biliary Disease | General Surgery: Pancreatitis |
| 10 | General Surgery: Bowel Obstruction | General Surgery: Spleen |
| 11 | General Surgery: Preoperative Evaluation of the Surgical Patient | General Surgery: Wound Healing |
| 12 | Colorectal: Anorectal disease (benign and malignant) | Colorectal: Colon Cancer |
| 13 | Colorectal: Inflammatory bowel disease | Colorectal: Colorectal Emergencies (e.g. diverticulitis, c diff colitis, volvulus) |
| 14 | MIS: Bariatric Disease – Operations, Post-op Complications, and Non-operative Management | MIS: Reflux Disease |
| 15 | MIS: Foregut – Esophageal (Perforation, Ulcers, MW Tears, Boerhaaves) | MIS: Gastric (Perforated Peptic Ulcers, Leiomyomas, Gastroparesis) |
| 16 | Endocrine: Thyroid nodules and cancer | Endocrine: Hyperparathyroidism |
| 17 | Endocrine: Adrenal Disease | Endocrine: PNET, genetic endocrine syndromes |
| 18 | Surg Onc: Workup of a Pancreatic Mass | Surg Onc: Workup of a Liver Mass |
| 19 | Surg Onc: Esophageal and Gastric CA | Surg Onc: Melanoma |
| 20 | Surg Onc: Sarcoma | Surg Onc: Lung CA |

| | | |
|----|---|---|
| 21 | Breast: Basics (Anatomy, Physical Exam, Diagnostics), Benign Breast Disease and High-Risk Lesions | Breast: Breast Cancer |
| 22 | Breast: Operative Principles and Procedures | Breast: Systemic therapy for Breast CA, Molecular Therapeutics |
| 23 | Vascular: Basics (vascular exam, diagnostic tools), Hemodialysis, Amputations | Vascular: Trauma |
| 24 | Vascular: Vascular Emergencies | Vascular: Endovascular Principles |
| 25 | Vascular: Aortic and Mesenteric Disease | Vascular: Cerebrovascular Disease |
| 26 | Pediatric: Primer (hernias, appys, pyloric stenosis, intussusception) | Pediatric: Primer (hernias, appys, pyloric stenosis, intussusception) |
| 27 | Pediatric: Pediatric Tumors and Colorectal | Pediatric: Congenital Abdomen (atresias, malrotation, biliary diseases) |
| 28 | Pediatric: Congenital Thorax (TEF, lung lesions CDH) | |
| 29 | Transplant: Kidney Transplantation | Transplant: Liver Transplantation |
| 30 | General Surgery: Skin, soft tissue infections | General Surgery: Pain Management |
| 31 | GYN Essentials | Urology Essentials |
| 32 | Head and Neck Essentials | Anesthesia Essentials |
