

3. Otolaryngology Post-Graduate Educational Program

Goals and Objectives PGY 1

Rotation Contacts and Scheduling Details

Rotation Director: Anna Messner, MD

amessner@ohns.stanford.edu

NOTE: All residents, including the PGY1 residents, will take the in-training exam on the first Saturday in March.

Rotation Specific Requirements for Otolaryngology Service – Head & Neck Team:

Weekly Schedule

The PGY-1 will participate in otolaryngology rounds and under the direction of the chief/senior resident will be responsible for care of inpatients. The following table reflects the weekly schedule:

Call duties: The PGY1 resident will take call for in-house floor patients from 6:00am until after rounds are complete and residents are released by the chief resident (typically 8:00 pm). On assigned weekends, they will take floor call from 6:00am to 8:00pm. The chief resident will assign weekends s/he will take call.
