

Instructions how to sync your mobile device to our Gen Surg Calendars located on Scalpel

- From your desktop/laptop
 - Go to Scalpel's main page
 - <http://scalpel.stanford.edu/>
 - Click on 
 - Log into your Google acct
 - Select the calendars to add
 - Balance in Life (for Cats and GS prelims only)
 - Surgical Skills
 - Scalpel residents (all big lectures, social events, exams, etc.)
- Visit the following page from your device's mobile browser (or open up this email from device and click on link):
 - <https://www.google.com/calendar/syncselect>
 - (Google Apps users can go to https://www.google.com/calendar/hosted/your_domain/syncselect, replacing 'your_domain' with your actual domain name)
 - Select the calendars you'd like to sync, then click **Save**.

The selected calendars will be displayed on your device at the time of the next sync.

MION passwords

Once you install the Amion app, the passwords are:

vapa for VA Palo Alto

scvh for Santa Clara Valley Medical Center

stansurg for Stanford

Useful app.

Thanks
