

SCCR GCP Workshop

Protocol Noncompliance: Protocol Deviations

Wednesday, September 15th, 2021, 9:00-10:30 AM
Zoom Webinar

Click [HERE](#) to Register!

The mission of the Stanford Center for Clinical Research (SCCR) includes offering educational resources, training, and support for investigators and research staff. We have invited highly experienced clinical research Education Program Manager, **Kiera Davis, RN, BSN**, to present on the important topic of Protocol adherence, Noncompliance and protocol deviations.

At the conclusion of this class, you will be able to:

- *Identify Investigator Responsibilities*
- *Understand Protocol Deviations and Proper Deviation Process*
- *Recognize Types of Deviations*
- *Demonstrate Understanding of Common Deviations Related to AE/SAE Reporting*
- *Review Examples and Case Studies*

Attendance is open to all research staff

About the Instructor:

Kiera Davis, RN, BSN joined Stanford University in 2015 and is the Education Program Manager in the Stanford Center for Clinical Research. She has worked in clinical research for 10 years at Stanford University and at the Duke Clinical Research Institute. Kiera obtained a BA in History from Boston University in 2006 followed by a BS in Nursing from Duke University. She worked as a Clinical Nurse II in the pediatric cardiac intensive care unit at Duke Hospital followed by two years as a travel nurse, working at Children's Hospital of Los Angeles, Colorado Children's in Denver, CO, Stanford Children's Hospital, and Seattle Children's Hospital. She is currently working towards a Master's of Science in Clinical Research from Campbell University with projected graduation in Spring 2022.
