

Thank you for thinking of the Vera Moulton Wall Center at Stanford. Your support aids in the fight against pulmonary hypertension and helps to improve the lives of men, women and children suffering from this terrible disease. Without the support of generous donors the Wall Center, and its programs and services, would not exist. Every day our clinicians and researchers are hard at work in the fight against PH.

Please make donation checks payable to: *The Wall Center at Stanford*

Mailing Address:

Vera Moulton Wall Center at Stanford
Attn: Deborah Aarhus
1215 Welch Road
Modular B, Room 23
Stanford, CA 94305-5414

Please include a note or indicate on the check if the donation is in “memory of” or “support of” a specific person. If you would like your donation to be directed to a specific program (patient assistance fund, research, general fund) please indicate this on your check or note.

All donations over \$10 will receive a thank you letter to use for tax purposes and donations made in support/memory of a specific person will be acknowledged to the person or family.

If you have any questions please do not hesitate to call (650)725-4586. Once again, thank you for thinking of the Wall Center.

Sincerely,

Deborah Aarhus, EdD, MS
Administrative Director
Vera Moulton Wall Center for Pulmonary Vascular Disease at Stanford
