

To apply, please visit Stanford MSTP MD-PhD website (med.stanford.edu/mstp.html)

Mentorship through BOOST:

- Longitudinal guidance from a current student
- Networking with faculty and MD-PhD students
- Mock interviews for MD-PhD admissions
- Personalized assistance with professional documents (e.g. CV, etc.)
- Lab tours

STANDFORD BOOST

Applicants who wish to be considered for both StanfordMSTP BOOST and Stanford ADVANCE AU can apply to both programs using a single application link.

Please note your preference of the two programs. You may use the same letter of recommendation for both applications.

DMP MM

Stanford MSTP BOOST aims to boost underrepresented minorities opportunity to pursue the physician-scientist career and equip undergraduates with tools for a successful MSTP applications. Prospective MD-PhD students selected for BOOST will attend our four-day program, which connects diverse students with the Stanford community and builds professional skills required for the MD-PhD admissions process. Program participants receive overnight accommodations, meals, travel to and from Stanford, and free access to the full schedule of events.

Stanford MSTP BOOST pairs each prospective student with a current MSTP student, who guides each participant through their quest to MD-PhD admissions. Stanford MSTP BOOST is sponsored by the Stanford School of Medicine, MSTP, Office of the Vice Provost for Graduate Education, and Biosciences. events.
