

Instructions for Video Submission

Videos will be judged according to educational value, originality, scientific content, clarity and expert use of medium. To help you prepare your video submission, please follow the instructions below:

- The maximum length of video presentations is 10 minutes.
- Videos may be formatted in MPEG, AVI, WMV, or QuickTime (MOV) with a maximum resolution of 1280x720.
- MPEG-4 is the preferred format.
- Do not use DivX compression.
- Videos must be in the final, edited version with sound in English.
- Videos should include a 30-45 second introduction during which all authors are credited and any and all financial interest is acknowledged. Financial disclosure is required even if the producer has no financial interest.
- Even though disclosure has been made, videos should not promote the use of any commercial product.
- Please ensure that you have permission to use any image presented as part of the video. This includes a license for copyrighted material and release forms from any patient(s) recognizable in the video.
- Use of copyrighted music or materials is forbidden without written authorization. By submitting your video under these instructions, you represent that you have or do not need such authorization and you agree to indemnify and defend the Academy from all claims based on copyright infringement.
- **File name should be according to the following schema:**
 - **[First Name] [Last Name] – [Title]**

All submissions should be finalized and completed by:
