Welcome to Stanford University's Shared Scientific Facilities Management System

This web-based scheduling, ordering, and billing system (commonly referred to as "iLab", after it's commercial supplier) is used to manage twenty-four of the shared scientific facilities at Stanford University. These facilities provide

Fill in the details for your lab

The screenshot shows a web browser window with the URL <https://sharedfacilities.stanford.edu/account/signup/7>. The page features the Stanford University logo and a navigation menu with steps: Personal Information, Institution Role, Manager Contact, Billing Address, and Complete Registration. The 'Personal Information' step is active.

You are requesting access to the Stanford University's service centers.
