

## Immunity and the Pathogenesis of Pulmonary Arterial Hypertension Presenters and Panelists

**Steve Abman, MD**  
Professor of Pediatrics  
Pediatric Pulmonary Medicine  
Director, Pediatric Heart-Lung Center  
University of Colorado Denver  
[steven.abman@ucdenver.edu](mailto:steven.abman@ucdenver.edu)

**Kristina Kudelko, MD**  
Clinical Assistant Professor of Medicine  
Pulmonary and Critical Care Medicine  
Stanford University  
[kkudelko@stanford.edu](mailto:kkudelko@stanford.edu)

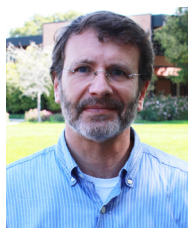

**Lorinda Chung, MD**  
Associate Professor of Medicine  
Immunology, Rheumatology  
and Dermatology  
Stanford University  
[shauwei@stanford.edu](mailto:shauwei@stanford.edu)

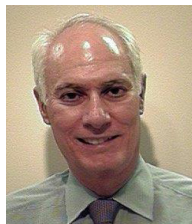

**Thomas Medsger, MD**  
Gerald P. Rodnan Professor of Medicine  
in the Division of Rheumatology  
University of Pittsburgh  
[medsger@dom.pitt.edu](mailto:medsger@dom.pitt.edu)

**Mark Davis, PhD**  
Professor of Microbiology and Immunology  
Director, Stanford Institute for Immunity,  
Transplantation and Infection  
Stanford University  
[mdavis@pmgm2.stanford.edu](mailto:mdavis@pmgm2.stanford.edu)

**Ross Metzger, MD**  
Instructor  
Cardiovascular Institute  
Stanford University  
[rmetzger@stanford.edu](mailto:rmetzger@stanford.edu)

**Paul Hassoun, MD**  
Professor of Medicine  
Pulmonary and Critical Care Medicine  
Director, Pulmonary Hypertension Program  
Johns Hopkins Medicine  
[phassou1@jhmi.edu](mailto:phassou1@jhmi.edu)

**Mark Nicolls, MD**  
Associate Professor of Medicine  
Chief, Pulmonary and Critical Care Medicine  
Stanford University  
[mnicolls@stanford.edu](mailto:mnicolls@stanford.edu)

**Marc Humbert, MD, PhD**  
Professor of Respiratory Medicine  
Vice Chair National Reference Centre  
for Pulmonary Hypertension  
Université Paris-Sud  
[mjc.humbert@gmail.com](mailto:mjc.humbert@gmail.com)

**Mark Ormiston, PhD**  
Assistant Professor  
Biomedical and Molecular Sciences  
Queen's University - Kingston, Canada  
[mark.ormiston@queensu.ca](mailto:mark.ormiston@queensu.ca)

**Mark Krasnow, MD, PhD**  
Professor of Biochemistry  
Executive Director, Vera Moulton Wall Center  
Stanford University  
[krasnow@stanford.edu](mailto:krasnow@stanford.edu)

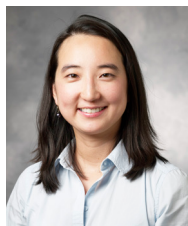

**Marlene Rabinovitch, MD**  
Dwight and Vera Dunlevie Professor  
in Pediatric Cardiology  
Stanford University  
[marlener@stanford.edu](mailto:marlener@stanford.edu)

## Immunity and the Pathogenesis of Pulmonary Arterial Hypertension Presenters and Panelists

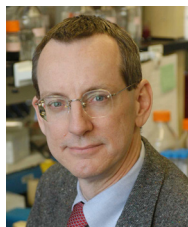

**William Robinson, MD**  
Associate Professor of Medicine  
Immunology and Rheumatology  
Stanford University  
[wrobins@stanford.edu](mailto:wrobins@stanford.edu)

**Yon Sung, MD**  
Clinical Instructor of Medicine  
Pulmonary and Critical Care Medicine  
Stanford University  
[yonsung@stanford.edu](mailto:yonsung@stanford.edu)

**Maria Grazia Roncarolo, MD**  
George D. Smith Professor in Stem Cell  
Transplantation and Regenerative Medicine  
Professor of Pediatrics and of Medicine  
(blood and marrow transplantation)  
Co-Director, Institute for Stem Cell Biology  
and Regenerative Medicine  
Stanford University  
[mg1@stanford.edu](mailto:mg1@stanford.edu)

**Bruce Trapnell, MD**  
Francis R. Luther Professor of  
Medicine and Pediatrics  
University of Cincinnati  
[bruce.trapnell@cchmc.org](mailto:bruce.trapnell@cchmc.org)

**Anthony Shum, MD**  
Assistant Professor of Medicine  
Pulmonary and Critical Care  
University of California, San Francisco  
[anthony.shum@ucsf.edu](mailto:anthony.shum@ucsf.edu)

**Rubin Tuder, MD**  
Professor of Medicine and Pathology  
Pulmonary Sciences & Critical Care Medicine  
Director, Program in Translational Lung Research  
University of Colorado Denver  
[rubin.tuder@ucdenver.edu](mailto:rubin.tuder@ucdenver.edu)

**Edda Spiekerkoetter, MD**  
Assistant Professor of Medicine  
Pulmonary and Critical Care Medicine  
Stanford University  
[eddas@stanford.edu](mailto:eddas@stanford.edu)

**PJ Utz, MD**  
Professor of Medicine  
Immunology and Rheumatology  
Stanford University  
[pjutz@stanford.edu](mailto:pjutz@stanford.edu)

**Virginia Steen, MD**  
Professor of Medicine  
Rheumatology  
Director, Rheumatology Fellowship Program  
Georgetown University  
[steenv@georgetown.edu](mailto:steenv@georgetown.edu)

**Norbert Voelkel, MD**  
Professor (Affiliate)  
School of Pharmacy  
Virginia Commonwealth University  
[nfvoelkel@gmail.com](mailto:nfvoelkel@gmail.com)

**Kurt Stenmark, MD**  
Professor of Pediatrics,  
Medicine and Anesthesiology  
Head, Division of Pediatric and Critical Care Medicine  
Director, Cardiovascular Pulmonary Research  
and Developmental Lung Biology Labs  
University of Colorado Denver  
[kurt.stenmark@ucdenver.edu](mailto:kurt.stenmark@ucdenver.edu)

**Roham Zamanian, MD**  
Associate Professor of Medicine  
Pulmonary and Critical Care Medicine  
Director, Adult Pulmonary Hypertension Program  
Stanford University  
[zamanian@stanford.edu](mailto:zamanian@stanford.edu)
