Clinical Trainee (MD) - Internal Stanford funding opportunity in Maternal Child Health

Stanford Maternal and Child Health Research Institute Clinical Trainee (MD) Support

The Stanford Maternal and Child Health Research Institute (MCHRI) Clinical Trainee (MD) Support program is designed to create a pathway and provide support for training the next generation of physician scientists focused on maternal and child health.

AWARD

MCHRI Clinical Trainee (MD) Awards support MD (MD/PhD, DMD, or DO) fellows as follows:

• Provides up to 100% salary/fringe support for up to two years (non-competitive renewal for year 2).
• Supports 2nd and 3rd years of fellowship only (PGY5 and PGY6).
• Used for the fellows’ remuneration and benefits (at the level determined appropriate for their specialty).

DEADLINE: Monday, February 13, 2023 @ 11:59 PM Pacific Time (PT) (no late applications will be accepted)

*Submit your proposals to the following link: ONLINE APPLICATION LINK, per the application instructions. You do not need to submit your applications via your RPM.

Complete application and guidelines here.

ELIGIBILITY

To be eligible for the award, the applicant must meet these criteria:

• Hold a medical (MD or equivalent) doctoral degree
• Have completed one year of training by the start of the award term
• *NEW* Clinical primary location for seeing patients is at LPCHS
• Demonstrate a commitment to an investigative career in obstetrics, pediatrics, pediatric subspecialty, or subspecialty primarily focused on child health (e.g., pediatric surgery)
• Use the MCHRI funding for their 2nd and 3rd years of research training (PGY5 and PGY6) during which a minimum of 75% time is devoted to research
• Be a practitioner or scientist who has a focus on maternal or child health
• Primary research mentor may be from any research discipline
• Primary research mentor must be a member of the MCHRI*
• Non-ACGME fellows are eligible provided all other criteria are met

*Apply for MCHRI Membership here.

*NEW* Diversity, Equity, Inclusion and Justice (DEIJ)

MCHRI is committed to advancing diversity, equity, inclusion, and justice in all aspects of our work supporting research, education, and resources in maternal and child health.

All applicants will be asked to provide a DEIJ statement in their application.

QSU BIOSTATISTICS OFFICE HOURS

MCHRI members and their mentees who are planning to apply to the Postdoctoral Support Program may sign up for office hours with a data scientist. Reserve your 1-hour at the registration link below:

Reserve available Office Hours here for December 19th and January 6th.

Please see our website and policy for more information about the QSU and their deadlines.
TIMELINE

Awards will be announced in mid-April. Proposals that are not funded can be resubmitted on Wednesday, May 10, 2023 (within the funding cycle). Formal award letters for both rounds (original submission and resubmission) will be issued in June 2023.

Award Period: July 1, 2023, to June 30, 2024.

NOMINATION

MCHRI Research Fellows must be nominated by their Division Chief or Department Chair. The nominator’s letter will verify that:

- The applicant will spend a minimum of 75% of their time devoted to research during their years funded by the MCHRI fellowship,
- And, that failure to maintain this commitment will result in forfeiture of the award and financial recovery of the award from the nominating Division or Department.

ADDITIONAL FELLOWSHIP OPPORTUNITY: PEDIATRIC PALLIATIVE CARE

MCHRI is offering a Palliative Care Fellowship. The fellowship is for up to two years with salary support of $75,000 per year. The individual will be identified as the Maggie Otto Fellow in Pediatrics Palliative Care. His/her clinical activity can be in any discipline involving children’s health. Any fellow whose research will be in pediatric palliative care should apply. Application requirements are the same.
