Current & Pending support attachments are required for all mentors and co-mentors.

Please note: This is not a full Other Support, and no signature is required.

- Each mentor/co-mentor(s)’s “Current & Pending Support” attachment is limited to 3 pages.

Contents
- Project Number: Provide the project number. If applicable, include a code or identifier for the project.
- Source: Identify the agency, institute, foundation, or other organization that is providing the support. Include domestic, foreign, institutional, federal, public, and private sources of support.
- Major Goals: Provide a brief statement of the overall objectives of the project, subproject, or consortium/contractual arrangement or a description of the activity.
- Project / Proposal State and End Dates: Indicate the inclusive dates of the project/activity as approved/proposed. For example, in the case of NIH support, provide the dates of the approved/proposed competitive segment. For in-kind contributions, provide project dates when applicable.
- Total Award Amount: For active projects, provide the total award costs for the period of performance, including indirect costs. For example, in the case of NIH support, provide the total award costs for the competitive segment. For a pending project, provide the proposed total costs for the period of performance.

Do not include information on “percent effort/person months” or on “overlap.”
